

Financial Preparation Service

Supporting you to take control of your financial wellbeing

The Financial Preparation Service is a free, personalised and confidential service to support you towards financial wellbeing.

Skilled financial coaches can provide up to 5 hours of support to help you:

- access free financial resources and tools
- prepare or review a budget
- understand your current financial position
- increase awareness about effective approaches to managing finances.

In person

Phone

Face-to-face
online

This service is not suitable for those who:

- are seeking financial planning advice
- are in financial hardship.

To access the Financial Preparation Service, contact your claims manager or a ReCONNECT Advisor.
